## What we do

We are the UK's tax, payments and customs authority, and we have a vital purpose: we collect the money that pays for the UK's public services and help families and individuals with targeted financial support.

### Follow us

We do this by being impartial and increasingly effective and efficient in our administration. We help the honest majority to get their tax right and make it hard for the dishonest minority to cheat the system.

HMRC is a non-ministerial department, supported by [2 agencies and public bodies](#) [\(/government/organisations#hm-revenue-customs\)](#).
